Harrison Greenbaum - Harrison is among the most in-demand comedians in New York. This summa cum laude Harvard grad has traveled the world with his one-man show, Harrison Greenbaum: What Happened? In 2017, he received the Clarke Crandall Award for Excellence in Comedy at Abbot's Magic Get-together in Colon MI. Just returning from Australia and starring in the Unbelievables.

Chad Long - Chad Long has performed & lectured all over the world. He's worked professionally in bars, nightclubs, restaurants, private parties, corporate functions, trade shows and cruise-ships. His debut performance at the Magic Castle received rave reviews, and he performed regularly at Malone's Magic Bar in South Florida. Chad's fast-paced lecture combines a high-energy performance along with humorous explanations to bring an enjoyable experience to all.

Gazzo - Gazzo is one of the most sought after professional entertainers in the world. Based in Bath Spa, England Gazzo performs magic all over the world. He has been mixing his comedy, magic, and charm for over 30 years into a must see show. Most famous for his cups and balls routine, Gazzo has turned a classic magic effect into a hilarious, magnificent, gut busting night out.

Jonathan & Liane Neal - "Jonathan Neal may be the greatest magician... you have never heard of!" according to Johnny Carson... (the star of the Tonight Show). There is some truth in what Mr. Carson said, because Jonathan and his partner Liane, have kept a pretty low profile in the world of magic. Nevertheless, they have performed everywhere: From South Africa, to Beijing, China as well as over 1000 shows at Caesar's Palace in Las Vegas! Jonathan Neal and Liane are living proof that it's not WHAT you do... It's the way you do it.

Adam Parisi - Adam was the winner of SAM 63 Close-up Contest 2017 and earned the job of opening our Close-up Show.. He works all over Connecticut and you will love his wit and excellent magic.

JoJo Garcia - Jojo attended his first magic convention nearly 7 years ago. Soon after, he joined S.Y.M. #29 in Boston, MA, where he currently serves as secretary. He has performed at Faneuil Hall, at events in Wellesley and in his home town of Framingham. Jojo, 15, also plays air guitar and the triangle
